Donn – can we distribute it to the planning committee asap? Or ask Ken to so everyone can review it before the meeting? I will be in a meeting this morning so if you could do that for both RI/FS and TCRA presentations, that would be great. Or Ken can too.

Donn:

Region 6 (Gary and Val) has received the attached draft TRCA presentation file already directly from David Keith earlier today. But I wanted to be sure to get this to you and Snehal in advance of tomorrow's planning sub-committee conference call. This draft reflects updates made following input received last week.

Best regards.
